## EARTH OBSERVATION

Earth Observation Data & Services Market

Earth Observation Satellite Systems

# Market Intelligence Catalog

## GOVERNMENT SPACE

Gain comprehensive insights into the government space sector worldwide including a detailed analysis of all national space investments, and the dynamic landscape of defense intelligence, including its diverse applications.

### Government Space Programs

Classic: **8,000 €**,  
Premium: **10,000 €**

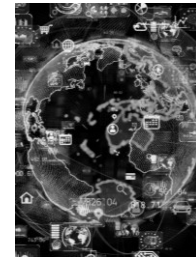

### Space Defense & Security

Classic: **8,000 €**,  
Premium: **10,000 €**

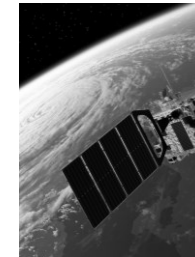

## EARTH OBSERVATION

Uncover the dynamic Earth Observation ecosystem through our market intelligence reports, gaining insights into the data and services market, as well as a comprehensive understanding of Earth Observation manufacturing and launch markets.

### Earth Observation Data & Services Market

Classic: **6,000 €**,  
Premium: **8,500 €**

### Earth Observation Satellite Systems

Market Insights: **3,000 €**

# Market Intelligence Catalog

## SATELLITE COMMUNICATIONS

Offering both a qualitative and quantitative perspective, our Satellite Communications (Satcom) market intelligence programs cover a wide range of topics that are key to understanding the current market environment but also where the market is headed in coming years.

### Satellite Connectivity and Video Market

Classic: **8,000 €**,  
Premium: **10,000 €**

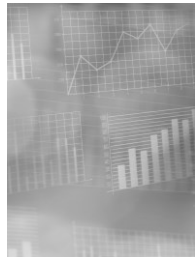

### Prospects for Maritime Satellite Communications

Classic: **6,000 €**,  
Premium: **8,500 €**

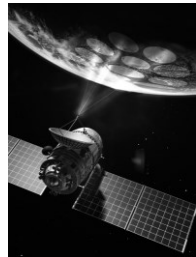

### Prospects for Direct to Handheld and IoT Markets

Classic: **6,000 €**,  
Premium: **8,500 €**

### FSS Capacity Pricing Trends

CLASSIC: **6,000 €**,  
PREMIUM: **8,500 €**

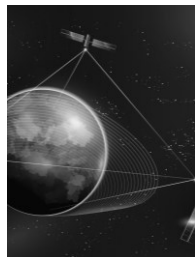

### High Throughput Satellites

Classic: **6,000 €**,  
Premium: **8,500 €**

### Prospects for In-Flight Entertainment & Connectivity

Classic: **6,000 €**,  
Premium: **8,500 €**

### Optical Communications Market

Classic: **6,000 €**,  
Premium: **8,500 €**

### FSS Operators: Benchmarks and Performance Review

Classic: **6,000 €**,  
Premium: **8,500 €**

### NGSO Tracker

Market Insights: **3,000 €**

## SPACE INDUSTRY

Explore the vast expanse of the space industry through our comprehensive reports, covering critical topics such as satellite manufacturing, launches, the global space economy, space logistics, ground segment technologies, and related subjects, providing valuable insights into these dynamic segments.

### Satellites to be Built and Launched

Classic: **8,000 €**,  
Premium: **10,000 €**

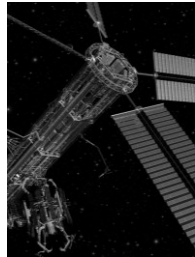

### Space Market Monitoring

Monthly Report: **500 €**,  
Annual Subscription: **6,000 €**,  
Corporate Subscription: **8,000 €**

### The Space Economy Report

Classic: **6,000 €**,  
Premium: **8,500 €**

### Space Logistics Markets

Classic: **6,000 €**,  
Premium: **8,500 €**

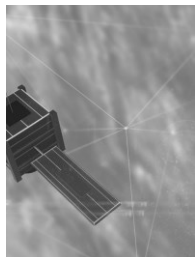

### Ground Segment Market Prospects

Classic: **6,000 €**,  
Premium: **8,500 €**

### Space Situational Awareness

Market Insights: **3,000 €**

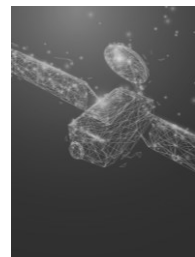

### Prospects for the Small Satellite Market

Classic: **6,000 €**,  
Premium: **8,500 €**

### Financing & Transactions Database

Market Insights: **3,000 €**

### Software Defined Satellites

Market Insights: **3,000 €**

# Licences

## REPORT VERSIONS

Regarding the content, the reports are available in two versions.

### CLASSIC

In depth qualitative analysis of the market including drivers, challenges, trends, main players, regional and applications breakdown accompanied with comprehensive data (forecasts for the next decade and historical figures) supported by graphs and tables for easy and straightaway interpretation.

### PREMIUM

Includes all the Classic content plus extended features which can include additional datasets, regular updates to the data, extra content offering a deeper analysis of related market segments.

## TYPE OF LICENSES

In relation to the use of the reports, the following licenses are available

### TEAM LICENSE

Meant for one team or department within the same company.

### ADDITIONAL TEAM LICENSE

Along with a Team License, an additional license allows one extra team or department to use the report files.

### CORPORATE LICENSE

Allows using the report throughout the company for an unlimited number of teams and departments (only internal employees).

Visit our digital platform to review the specific contents of the Classic and Premium versions of each report.

Contact us at [reports@euroconsult-ec.com](mailto:reports@euroconsult-ec.com) for more information.

# Subscription Plan

A subscription plan allows the purchase of multiple reports as a package, benefiting from a discounted price, among other perks. Plans are fully flexible and can be customized for the number of reports, the type of license (Team or Corporate) and the report's version (Premium or Classic). A few sample plans are presented below. Contact us to discuss your needs and build your own subscription plan.

## Plan 1 Selection of 5 reports

TEAM LICENSE	
Classic <b>€ 30,000</b>	Premium <b>€ 38,000</b>

CORPORATE LICENSE	
Classic <b>€ 41,000</b>	Premium <b>€ 54,000</b>

## Plan 2 Selection of 10 reports

TEAM LICENSE	
Classic <b>€ 55,000</b>	Premium <b>€ 70,000</b>

CORPORATE LICENSE	
Classic <b>€ 75,000</b>	Premium <b>€ 95,000</b>

## Plan 3 All reports (~16)

TEAM LICENSE	
Classic <b>€ 80,000</b>	Premium <b>€ 95,000</b>

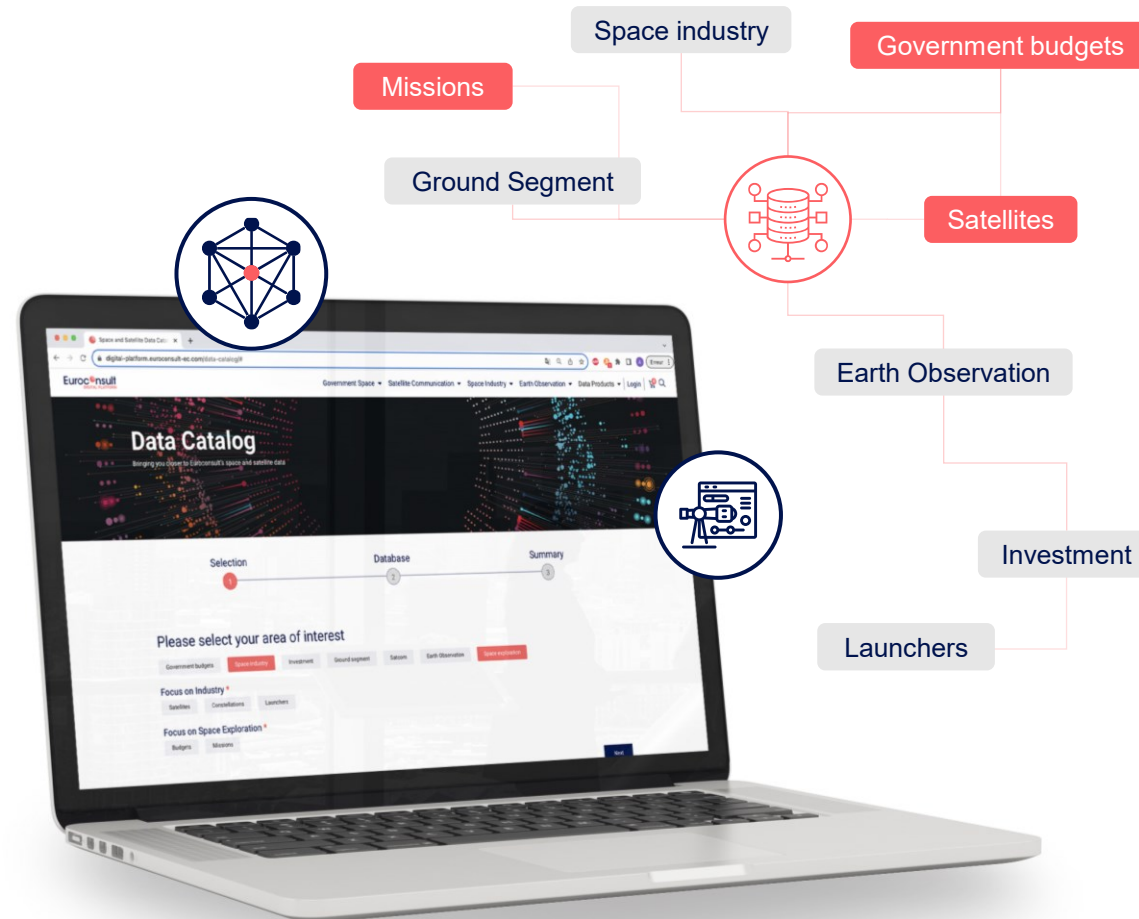

CORPORATE LICENSE	
Classic <b>€ 95,000</b>	Premium <b>€ 115,000</b>

# Data Catalog

Bringing you closer to Euroconsult's  
space and satellite data

From 500 €

The online data catalog offers a **brand-new developed proprietary relational database and forecast models** covering information on all aspects of the satellite value chain, from government budgets, satellite manufacturing, and launch, to satellite operation and services.

# Ecosystem Database

Your one-stop-shop for strategic & organizational information on space and satellite actors

From 3,500 €

9 Segments Launch provider Satellite operator Prime...

10 Applications

Science and Exploration

Information

Earth Observation

Navigation

Launch

Human Spaceflight

Telecom

Space Situational Awareness

Space Logistics

Signal Intelligence

The ecosystem database consolidates **company information on all space actors or companies in the sector**. The stakeholders are classified into eleven segments of the value chain.

# Data behind the Graphs

Next level user experience

1,000 €

Now available for *Satellite Connectivity and Video Market* and *Prospects for the Small Satellite Market*

The data behind the graph feature allows you to choose a “super user” within your organization who will have access to all the data used to build each graph of a selected report.

**Exclusive, interactive, downloadable,** this new way to navigate our reports will offer you a next level user experience.

# Executive Briefing

**Starting from 3,000 EUR depending on the available material. Travel expenses are not included and will be charged separately if the customer prefers onsite presentation.**

Around  
3 hours

Onsite presentation is  
also possible. Travel  
expenses not included

Presentation by one or  
multiple Euroconsult  
experts

- General presentation of the topic selected typically including main market trends, key drivers, main technologies, top players, forecasts, etc.
- The last 30 minutes of the session are intended to answer questions or discuss specific topics of interest for the audience.
- After the session attendees can submit their questions, which will be answered in written form or in a 30 minute follow up call.
- Deliverables include the slides presented during the workshop session.
